

Job Title: QC/Safety Manager	Salary: TBD
Status: Full Time	Location: Tinker AFB

Position Overview:

IEC is a general construction contractor based in Kansas City and is looking for a QC/Safety Manager for a potential IDIQ Contract at Tinker AFB. This position is responsible for the management, and maintenance of the project Safety and QC plans to ensure federal, state, and local compliance.

To Apply

Please visit: <http://www.infiniteenergyconstruction.com/wp-content/uploads/2015/02/IEC-Application-2.pdf> to download an application. Please return a completed application to careers@iec8a.com. Resumes are welcome, but **candidates without a completed application on file will not be considered for this position.**

Essential Job Functions:

- Provide safety and quality control leadership
- Follow IEC Safety and Quality Control plan and policies
- Maintain project specific safety and QC training programs
- Develop project/site specific safety and quality control plans
- Conduct safety, accident, and quality investigations
- Compile monthly, quarterly, and yearly reports for review by corporate Safety and QC Managers
- Other duties as assigned

Knowledge, Skills, and Abilities:

- Excellent knowledge of OSHA and EM-385 standards and regulations
- Excellent knowledge of USACE QCM standards and regulations
- Familiarity with federal HSE regulations as related to the construction industry
- Competent with Microsoft Office
- Analytical and critical thinking skills
- Strong organizational skills and attention to detail and accuracy
- Ability to communicate with technical and non-technical individuals
- Strong leadership skills
- Excellent verbal and written communication skills
- Strong technical writing skills: ability to write reports, business correspondence and procedural manuals
- Ability to read, analyze, and interpret federal, state, and local regulations
- Ability to gather data, compile information, and make reports
- Ability to multi-task, establish priorities, and meet deadlines
- Self-starter and the ability to work with minimal supervision

Education and Experience

- High School Diploma or equivalent
- Bachelor's degree in construction management, engineering, safety management or like field preferred
- Minimum of 10 years of experience in the construction industry
 - 5-10 years of progressive QC experience
- OSHA 30 and/or USACE EM 385-1-1 Training
- USACE CQM certification
- Ability to work on a military installation

Equal Opportunity Employer

IEC is an equal opportunity employer. In accordance with anti-discrimination law, it is the purpose of this policy to effectuate these principles and mandates. IEC prohibits discrimination and harassment of any type and affords equal employment opportunities to employees and applicants without regard to race, color, religion, sex, national origin, age, disability or genetic information. IEC conforms to the spirit as well as to the letter of all applicable laws and regulations. Additionally, IEC will take action to employ, advance in employment and treat qualified Vietnam-era veterans and disabled veterans without discrimination in all employment practices.
